Effective date: 23 August 2026. Last updated: 23 August 2026.

1. Acceptance of Terms

By accessing or using CloudDroid's services, you agree to be bound by these Terms of Service. If you do not agree to these terms, please do not use our services.

2. Description of Service

CloudDroid provides enterprise-grade cloud Android workspaces for QA automation, app testing, and secure remote productivity. Services are provided as one-time access purchases with various tiers as described on our Pricing page.

3. Acceptable Use Policy

You agree not to use CloudDroid services for any unlawful purpose or any purpose prohibited under this section. The following activities are strictly prohibited:

3.1 Network Abuse

- Distributed Denial of Service (DDoS) attacks
- Port scanning or network reconnaissance
- Spamming (email, SMS, or other messaging platforms)
- Unauthorized access to systems or networks

3.2 Resource Abuse

- Cryptocurrency mining or blockchain-related computational activities
- Continuous 100% CPU utilization scripts or processes
- Any activity that materially degrades service performance for other users
- Unauthorized sharing of resources with third parties

3.3 Fraudulent Activity

- Click-fraud or ad-abuse schemes
- Card testing or payment fraud
- Identity theft or impersonation
- Any activity designed to manipulate or abuse our billing system

3.4 Consequences of Violation

Violation of this Acceptable Use Policy will result in immediate termination of your instance without a refund. CloudDroid reserves the right to report violations to law enforcement authorities.

4. User Responsibilities

You are responsible for maintaining the confidentiality of your account credentials and for all activities that occur under your account. You must notify CloudDroid immediately of any unauthorized use of your account.

5. Payment Terms

Access fees are paid as one-time payments. All fees are non-refundable except as expressly set forth in our Refund Policy. CloudDroid reserves the right to change pricing with 30 days' notice.

Access Period

Access is granted per purchase for the selected plan tier. You will have access until the end of the purchased period. Extend access by purchasing again.

Expiration

Access expires at the end of the purchased period. There is no automatic renewal. You will continue to have access to your instance until the end of the paid period.

Non-Payment

If payment fails, we will retry the payment. If payment remains outstanding for 7 days, your instance

may be suspended. After 14 days of non-payment, your instance may be terminated and data deleted.

Chargebacks

In the event of a chargeback, we reserve the right to suspend or terminate your account and may pursue collection of the disputed amount. Chargebacks may also result in being banned from using CloudDroid services in the future.

Payment Processing and PCI DSS

CloudDroid does not store, process, or transmit raw credit or debit card data. All payment information is processed directly by our PCI DSS compliant payment processors, Dodo Payments and Mollie. CloudDroid's systems handle only payment tokens and metadata, never raw card data.

6. Service Level Agreement

Professional and Team plans include a 99.9% uptime SLA. Service credits are available for qualifying downtime as described in the SLA documentation.

7. Limitation of Liability

CloudDroid shall not be liable for any indirect, incidental, special, consequential, or punitive damages, including loss of profits, data, or goodwill.

8. Governing Law

These terms shall be governed by and construed in accordance with the laws of the Czech Republic, without regard to its conflict of law provisions.
